Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Examiner suggested: (1) Deleting subject matter rejected under 35 USC 112 and 35 USC 101; (2) Amending claim 1 to recite that the usage metrics system includes a table which records the play event type and a time stamp associated with that play event type. (3) That all amendments be submitted as part of an RCE filing, since the amendments would necessitate a new search. Examiner did indicate that these amendmwns would overcome the prior art which was currently of record.
